All:

We have been able to secure Cares Act funding for individuals who have been affected by COVID-19. If you have been furloughed, laid off or otherwise lost income due to COVID-19, and are in arrears on utility bills such as power, gas, water or sewer, you may apply through our partners, the Jefferson County Committee for Economic Opportunity (JCCEO) (phone: 205-375-7500) or the Birmingham Urban League (phone: 205-326-0162) to get these bills paid on your behalf. We have also recently been able to secure funds for the payment of delinquent mortgages up to \$5,000.00 for individuals who have been hit hard by this pandemic.

You will need to make an application to either of the entities listed above and be able to demonstrate your loss of income. You may also contact Zach Brooks in my office (205-325-5070) if you have any questions. Applications must be approved by December 30, 2020.

Please help me get this information out to the community.

Sincerely,

Joe Knight  
Commissioner, District IV
