From: William D. McDaniel, P.E. *William D. McDaniel*
Area Operations Engineer

Re: Railroad Crossing closure for repairs
AL 25/Norfolk Southern RR crossing at Justice Road in Sterrett
Shelby County

Gentlemen:

ALDOT was made aware yesterday that Norfolk Southern Railroad plans to close the mentioned crossing to make needed repairs on Thursday, November 10th and reopen it by early Saturday, November 12th. Per my conversation with Mr. Willingham yesterday, this will require closing AL 25 in both directions at the location noted above and detouring traffic onto CR 55 from AL 25 to US 280 and US 231 for both NB and SB AL 25 traffic. Norfolk Southern Railroad and their contractors will be responsible for installing and maintaining all detour signage along these routes during the closure.

I also respectfully request that Shelby 911 forward this information to any local fire/rescue departments I may have missed.

We know this will be an inconvenience, but please know this work is necessary and we appreciate everyone's assistance in this matter. ALDOT District Administrator Tim Wallace will be our point of contact regarding this work and can be reached at (205) 668-0173 if you have questions or need further information.
